FAIR USE POLICY

We offer unlimited plans at a very low cost and expect our subscribers to only download music as they need it. This helps our content providers continue to get paid for their hard work, which will in turn help them to continue to provide great music. If a subscriber is found to be downloading an abnormal amount (100 or more) of music over short periods with no proof of projects/productions, his/her license and subscription will immediately be terminated.

Our 'Corporate Pro Plan' is ONLY intended for use by a single company that is need of multiple (up to thirty) logins and access by employees of licensee. Misuse of login/sub-user assignment will trigger immediate licence and subscription termination.
